

MIDWEST DISTRIBUTION

MARKETING PACKAGES
FOR
MANUFACTURERS
AND
VENDORS

Are you looking to maximize your sales through Midwest Distribution? Well, we now have a full marketing package to help you drive sales to thousands of retailers by promoting your product in several different outlets.

We are now offering ad space on our website and social media marketing to our vendors to help them get their product on more store shelves. We are currently offering several different marketing packages that have already proven successful. Included in this email are some mock images of how your ads will appear on our website, social media, and emails. We have also included some images of our website traffic and email volume.

Website Marketing

We serve more than 3,500 active retail accounts monthly and we average more than 10,000 weekly visits. Your Web Banner will also directly link the customer to your product page on our website.
